WHY NZLCS

Why choose us?

01 **Chemical-free process**
Laser only — zero chemicals, zero waste. Safe for the environment and your team.

02 **Pinpoint precision**
Only the contaminant is removed — the substrate stays intact and undamaged.

03 **Mobile on-site service**
We come to you. Portable equipment means minimal disruption to your operations.

04 **Broad material compatibility**
Steel, concrete, aluminium, brick — we handle a wide range of surfaces and substrates.

• Our Services

Laser Cleaning Services

Advanced laser technology for rust, graffiti, and coating removal — safe, precise, and chemical-free.

Rust & Oxide Removal

Precision laser removal of rust and oxidation from steel structures, pipelines, bridges, and industrial equipment. Ideal for pre-paint surface preparation — no substrate damage guaranteed.

Steel structures | Pipelines | Bridges | Machinery

Graffiti Removal

Fast, chemical-free graffiti removal from public infrastructure, building exteriors, and commercial facilities. Compatible with concrete, brick, metal, and more — safe for repeated applications.

Building facades | Public infrastructure | Concrete | Metal

Industrial Surface Prep

Coating removal, weld seam cleaning, and surface preparation across industrial environments. Selective laser control removes only unwanted coatings while preserving the base material.

Coating removal | Weld cleaning | Surface prep | Manufacturing

• About Us

About NZLCS

Setting a new standard for laser cleaning in New Zealand.

Our Story

NZLCS was founded by industry professionals who saw firsthand the limitations of traditional cleaning methods in New Zealand. We moved beyond sandblasting and chemical treatments to bring precise, safe, and environmentally responsible laser technology to a wide range of industries.

OUR VALUES

What we stand for

🌿

Eco-friendly

Zero chemicals. Minimal waste. The responsible choice for people and the planet.

🎯

Precision technology

Micron-level accuracy with advanced laser equipment — results you can rely on.

🤝

Integrity

We deliver what we promise. Honest communication and consistent results, every time.
